June 17, 2024

It is with profoundly heavy hearts that we announce the passing of former Chief Daniel Raftery on June 16, 2024.

Chief Raftery dedicated his career to the Greenville Fire District. He joined the department in 1973 and in 1986 rose to the rank of Chief, a position he held for 34 years until his retirement in 2020.

Chief Raftery was an admired and devoted Firefighter, leader and public servant. He was respected in the community and in the fire service and made an indelible imprint on the Greenville Fire District.

Our thoughts and prayers are with the Raftery family and friends during this extremely difficult time.

As additional information becomes available, we will pass it along in an update.
