Acting Chairperson - Zoning Board of Appeals  
Town of Greenburgh  
177 Hillside Ave.  
White Plains, NY 10607

Dear Ms. Bunting-Smith:

The Board of Fire Commissioners of Greenville Fire District requests that a full SEQRA study be performed relating to the proposed assisted living facility (Formation Shelbourne Senior Living) on Underhill Road. This analysis should be executed by an external professional resource, and should consider all of the impacts, both operational and financial, this facility will have on the Greenville Fire District, including without limitation:

1. The number, and nature of, additional alarms anticipated by the facility;
2. Traffic considerations, and roadway conditions, in particular for accessibility of emergency vehicles; and
3. Other safety considerations.

Please be advised that Greenville Fire District has previously requested this information from the Town.

Thank you,

Helene M. Orce, Chair  
Greenville Fire District Board of Fire Commissioners
